Modern apartment, located in an attractive, well-maintained building. It occupies half of the ground floor and is oriented towards the courtyard. The building is located in one of the most important traffic areas in Voždovac, so communication with all parts of the city is facilitated. The apartment has an excellent concept for business activities of a quieter type. It has a comfortable living room, kitchen, five offices and two bathrooms, both with modern showers. The building is designed as a high energy efficiency building, so heating is done through the walls, and cooling is done centrally through the ceiling.
