Nice apartment placed on an excellent location in Dedinje. It is in small street with almost no traffic, surrounded with little forest, within walking distance of "Pink" building. Extremely peaceful position near roundabout and Maxi supermarket, small green market, taxi station and stations of public transport. The apartment is housed in an older building with a few apartments. It is renovated and spacious. Functional layout of the rooms provide practical division in two parts, living room and sleeping area. First part of the apartment consists of a large living room organized in several sitting parts, small kitchen with an exit to a terrace and guest bathroom with a shower cabin. Through living room, accross a long hallway one can reach sleeping area, which consists of two bedrooms, while between them there is a bathroom equipped with jacuzzi bathtub. The apartment has characteristic high ceilings, discrete plaster details and very interesting green pillars. It is furnished in cohesion with interior, in romantic, stylish manner with plenty of details. Bedrooms have king size beds. The apartment is comfortable with warm, family atmosphere. In the yard of the building, one parking spot is at disposal.
