High ceiling apartment, on an excellent location, in near vicinity of Beogradjanka building. Good connection to different parts of the city, with several public transport lines, which operate through this neighborhood. Commercial content and facilities make the location more convenient to live and work on. The apartment is housed on the third floor of a pre-war building with an elevator. It consists of two rooms, a kitchen equipped with basic elements and a bathroom with a shower cabin. At the entrance there is a hallway leading to a terrace. Property suitable both for residential and business premises.
