Very good house in quiet part of Bežanijska kosa settlement. It is placed close to a street with large frequency of traffic where is a public transport station. From here numerous lines lead to all parts of the city, and it is easy to get to highway. This semi detached house has a nice yard which is partially paved and other part is covered with greenery. It spreads over four levels. Ground floor contains anteroom, living room with dining room, kitchen and toilet. Anteroom leads also to another glassed in room which is used as dining room as well. This part of the house is upgraded, independent unit. Four bedrooms and two bathrooms, one with shower and other with bathtub are placed on first and second floor. In the basement level there are salon, large dining room, kitchen with kitchen counter and utility rooms. Suitable both for family life or business activity.
