A semi detached house in a peaceful street in residential city area of Vozdovac close to the church, large boulevard with variety of stores and public transport stations. The house is situated in the neighbourhood of other houses and buildings with several floors. It is well maintained, has nice facade, and spreads over three levels with functional layout. The ground floor consists of living room with dining room and kitchen, as well as pantry and toilet. All floors are connected with circular wooden stairs. Upper level contains gallery of 15 m², bedroom, and bathroom, while the last level contains two bedrooms and another bathroom. Slight slopes of the roof doesn't disturb the functionality of the last level. Interior is renovated with floor heating that uses gas. The space is suitable for business activities. Parking spot is provided in front of the building.
