Very nice apartment in a newly built residential complex "Stepa Stepanovic". It is placed in quiet part of the settlement. The apartment is two-side oriented and housed on the fourth floor with an open view towards the surroundings. Living room is interconnected with dining room and partially separate kitchen with a kitchen counter. One can exit to the terrace from this area. Bedroom is equipped with king size bed and large closet, while bathroom is with bathtub. Interior is nice and modern with interesting details, large format paintings, stone wall, and beautiful lighting. Furnishings also modern contribute to attractiveness of space. In the building's basement one parking space is at disposal in the garage. Apartment suitable for a single person or a couple.
